

- c. by placing equipment in an outbuilding otherwise approved by the Silverglen North Architectural Review Committee. A rain barrel may be placed in a location visible from public view from any street or common area only if the configuration of the guttering system on the structure precludes screening as described above with the following restrictions:
  - a. the barrel must not exceed 55 gallons; and
  - b. the barrel must be installed in close proximity to the structure on a level base with the guttering downspout leading directly to the barrel inlet at a substantially vertical angle; and
  - c. the barrel must be fully painted in a single color to blend with the adjacent home or vegetation; and
  - d. any hose attached to the barrel discharge must be neatly coiled and stored behind or beside the rain barrel in the least visible position when not in use.
4. Overflow lines from the Systems must not be directed onto or adversely affect adjacent properties or common areas.
5. Inlets, ports, vents and other openings must be sealed or protected with mesh to prevent children, animals and debris from entering the barrels, tanks or other storage devices. Open top storage containers are not allowed, however, where space allows and where appropriate, Silverglen North Architectural Review Committee approved ponds may be used for water storage.
6. Harvested water must be used and not allowed to become stagnant or a threat to health.
7. All Systems must be maintained in good repair. Unused Systems should be drained and disconnected from the gutters. Any unused Systems in public view must be removed from public view from any street or common area.

The guidelines are effective upon recordation in the Public Records of Harris County, and supersede any guidelines for rainwater recovery systems which may have previously been in effect. Except as affected by Section 202.007 and/or by these guidelines, all other provisions contained in the Declarations or any other dedicatory instruments of the Association shall remain in full force and effect.

Approved and adopted by the Board on this 28<sup>th</sup> day of NOVEMBER 2011.

  
Nick Ozuna  
President  
Silverglen North Homeowners Association
