Annual Overnight Parking Permit for Excess Vehicles Registered to Property:

If a resident owns more vehicles than what can be parked in the garage and driveway, the resident can purchase an annual parking permit to allow **one** vehicle to be parked in the street, directly in front of the property address. Each parking permit must be purchased **annually**. The owner will ensure the Vehicle parked overnight in the street is registered with the State of Texas, insured, inspected, operable unmarked with a company name and/or logo and height & weight compliant before placing the tag inside the vehicle. The owner is aware their vehicle will be towed if not in compliance or blocking their neighbor's driveway.

To obtain an annual parking permit, please complete the information below and submit with the annual fee of \$250.00.
